

Polish Canadian Veterans Monument

Regina Saskatchewan

**FALL 2026
UNVEILING**

On behalf of the Polish Canadian Cultural Club of Regina (PCCC), we are pleased to share details of a major commemorative project honouring Polish Veterans and Polish individuals displaced by WWI and WWII.

These individuals endured tremendous hardship and played a vital role in preserving and sharing Polish culture in Saskatchewan. To honour their legacy, the PCCC is creating a permanent memorial at Riverside Memorial Cemetery in Regina. This will be the first such monument in Saskatchewan

To bring this project to completion, we are seeking financial support from community members, organizations, and partners who wish to honour the contributions of these Veterans and displaced Poles.

GoFundMe

All contributions are appreciated. Donations of \$100 or more will be acknowledged on a permanent display at St. Anthony's Parish Hall.

As part of the sponsorship package for contributions of \$250 or more, donors will have the opportunity to submit the name of a Polish Veteran or Polish person displaced by war to be engraved on a stainless steel panel as part of the memorial.

Attached are full submission guidelines, examples for naming Polish Veterans and displaced Poles, proposed text on the plaque and a conceptual image of the monument. We sincerely appreciate your consideration and support. Your contribution will help ensure this memorial is completed with the dignity and respect these individuals deserve while preserving their legacy for future generations.

If you have any questions, would like more information about the project, or are interested in sponsoring the monument, please contact Bron Nurkowski
